Georgia Tech's Strategic Plan:

To Define the Technological University of the 21st Century

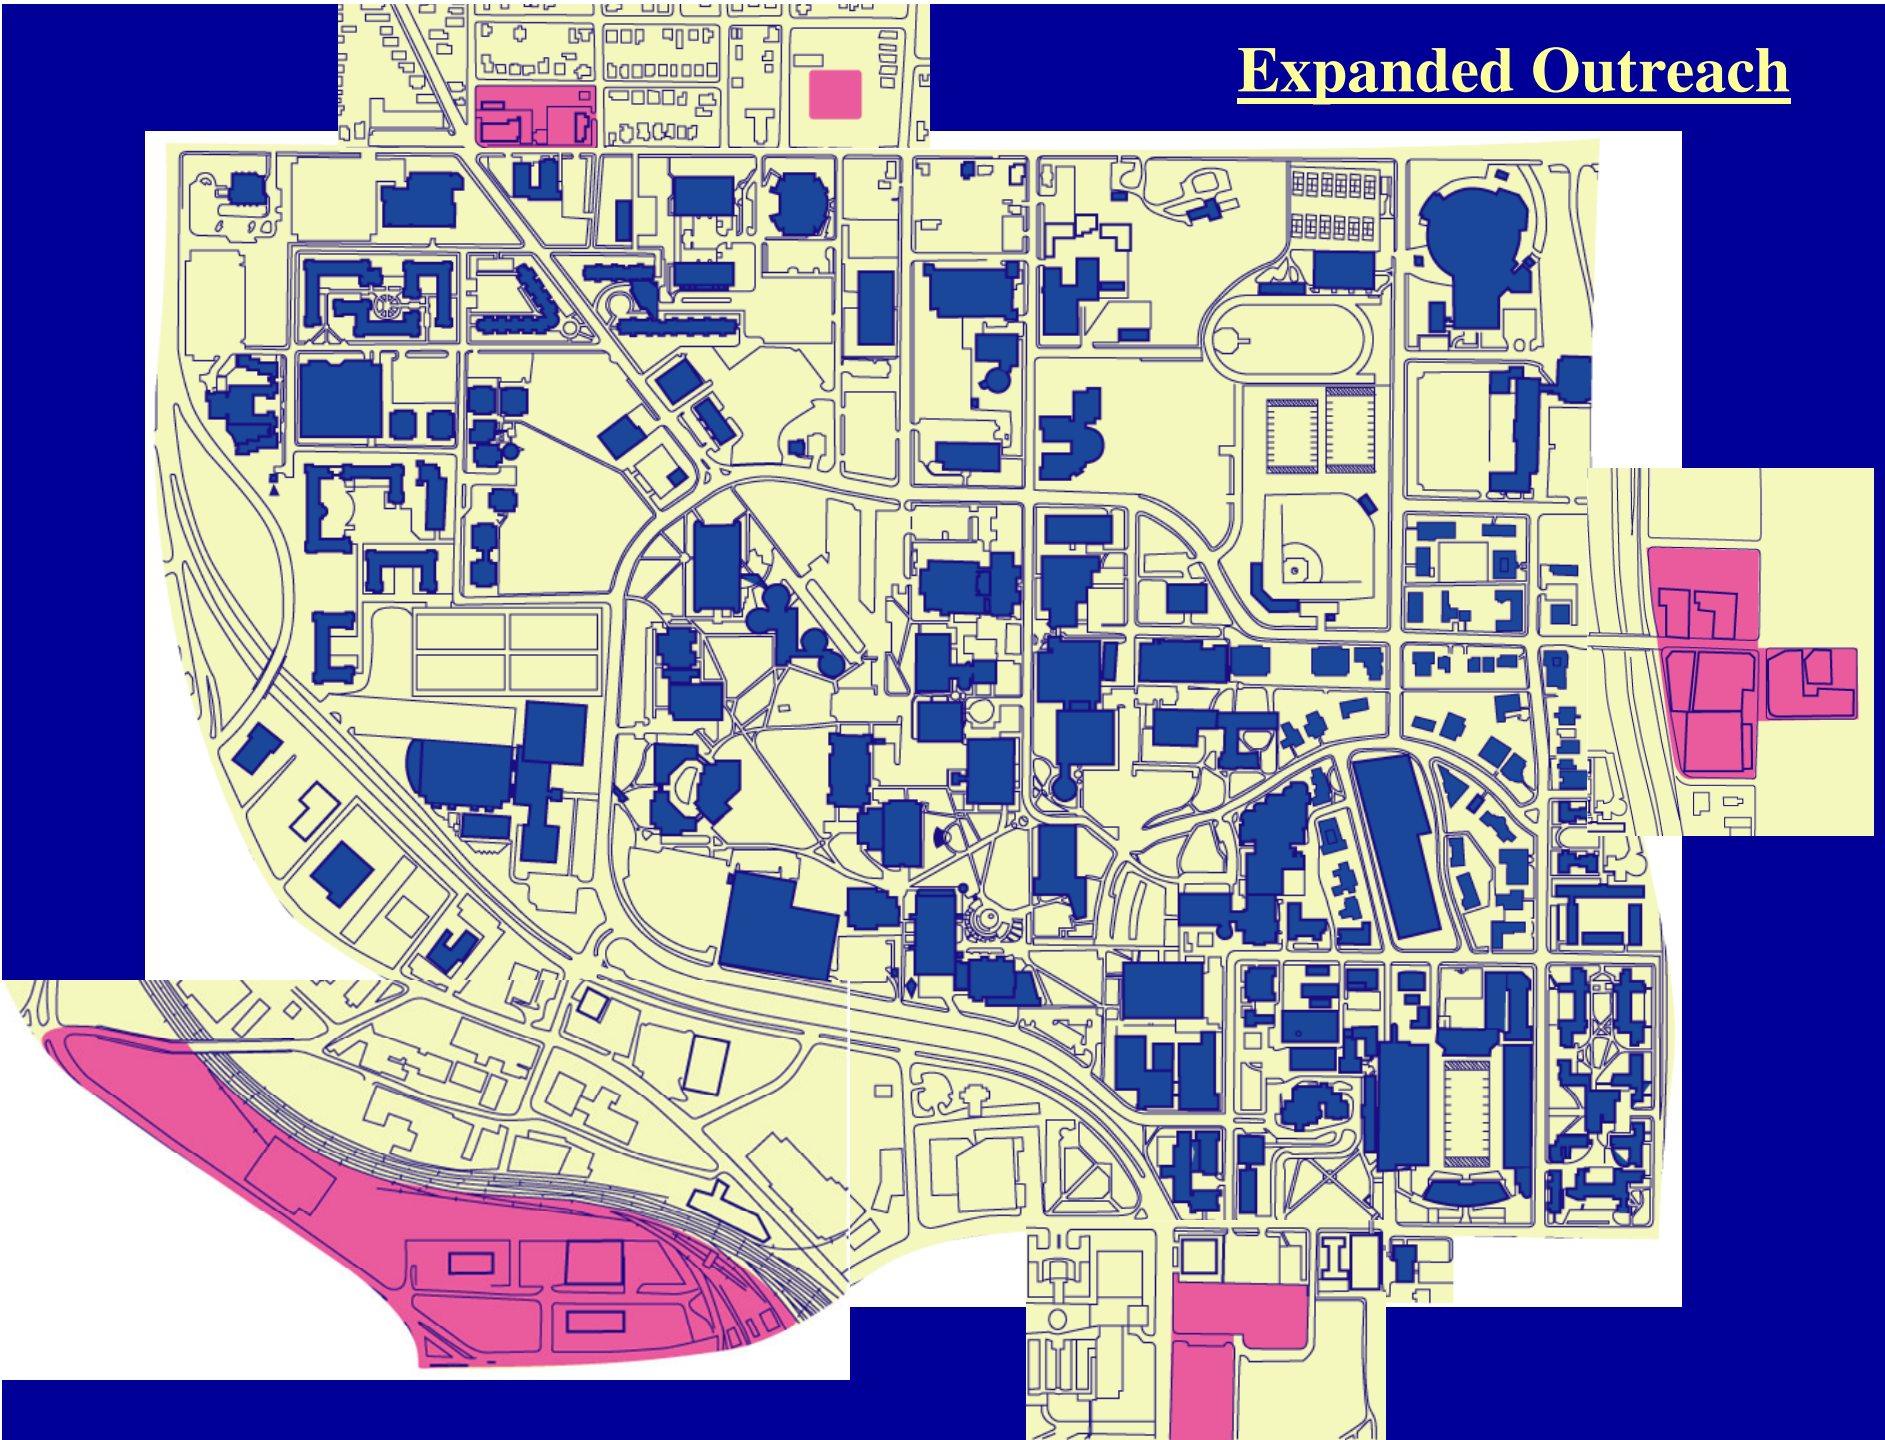

“Build on the possibilities offered by the Technology Square project in the growth of our technological management programs, multidisciplinary initiatives, continuing education options, and in the ongoing renaissance of our neighbor to the east and north, Midtown.”

Georgia Tech's Strategic Plan:

To Define the Technological University of the 21st Century

“Capitalize on the possibilities provided by new facilities such as the proposed Technology Square project to further establish a presence in the Atlanta business community.”
